Lalit,

10 AM would work on either day. Would you like to meet here or City Hall?

Thanks Doug! Finally was able to check with my group. Both days work- anytime. A meeting around 10 am is pretty convenient for us, but if another time works better for , please let us know and we can make it work. We plan this to be a technical meeting (small group) and idea was to make sure and get any feedback before we submit the workplan.

Have a good weekend

Lalit

Good Afternoon Lalit,

I've been asked to throw out some dates in early March for the above –

Looking at March 4<sup>th</sup> or 6<sup>th</sup> – Bryant and I are both open all day (as of today); Tom will try and make it, but no guarantees due to his schedule.

If you need later dates, please let me know – would be looking at the week of the March 16<sup>th</sup> for the next available dates.

Best,

*Douglas Frasier*
